INSTRUCTIONS

Please type or print legibly in ink.

Information must be complete and accurate. NOTE: When changing the address on your vehicle registration, please include your Driver's License/Photo Identification Number.

This form is not valid for name changes or commercial driver's license (CDL) updates. If you currently hold a CDL, use Form DL-80CD and include the appropriate fees. Form DL-80CD will require notarization. This form is available on our Web site at www.dmv.state.pa.us.

NOTE: Effective January 31, 2006, only a Pennsylvania address may be recorded on title and registration products. All change of address applications must list the customer's bona fide Pennsylvania numbered street address. The only exceptions to motor vehicle documents being processed with an out-of-state address are:

U.S. Armed Forces personnel or their dependents

❖ An employee of federal or state government or their immediate families whose workplace is located outside of Pennsylvania

* A business that is located outside of Pennsylvania with no Pennsylvania location and the vehicle is regularly operated in carrying on business within this Commonwealth.

If the applicant is entitled to one of the above exceptions, Form MV-8, "Self Certification for Proof of Residency," is required to be completed and attached to the change of address request.

Mobile home vehicle records are exempt from the Pennsylvania address requirements. An MV-8 form is not required when titling a mobile home to an out-of-state address.
