(Meeting of March 5, 1934, continued.)

The secretary read a letter from Sheriff L. R. Huber, quoting a section of the law under which Boroughs are declared responsible for board and lodging of prisoners at the County jail committed for violations of Borough ordinances. This letter was with reference to a bill sent the borough several months ago. Burges Shinham stated that he had talked with County Commissioners and with authorities of other boroughs and found that similar amounts had not been collected from them. The bill was ordered not paid until further investigation could be made.

The matter of fixing the Auditor's fee for the audit of borough accounts was next discussed. It was pointed out that the Borough code prescribed a fee of not less than \$ 2.00 nor more than \$ 5.00 for each 8 hours consumed in making the audit. On motion, the fee of \$ 15.00 each was fixed as a proper fee, and drafts ordered issued for this amount.

Dr. Gilland reported that a request had been made that a street light be installed at the cross-alleys near the Baumgardner Milk Plant. The matter was discussed but no action taken.

A request from the Misses Strite that a retaining wall be placed in front of their East. Baltimore Street property was made, but no action taken.

On motion of Dr. Seibert, seconded by Mr. Stover, the Street committee was authorized to do all necessary grading to secure better drainage on E. Madison Street in the vicinity of the Sam'l.
